

# TAP into payments on your terms

Modern POS hardware with no upfront cost, one low monthly fee, and built-in protection.

A simple way to upgrade your POS and keep more cash in your business.

## What is TAP?

A simple way to access modern payment hardware without the burden of buying equipment outright. TAP gives you flexibility and protection from day one — so you can focus on running your business, not managing hardware.

- ✓ Pay over time instead of upfront
- ✓ Less time managing equipment
- ✓ Protection included with device
- ✓ Modern POS built for daily use
- ✓ Access hardware without buying it outright
